PROJECTS

Milestone Company Website

The Milestone Company Website Project demonstrates my ability to provide high-quality digital solutions that fulfill customer objectives and surpass expectations.

PMO for Milestone

The Project Management Office (PMO) Project aimed to streamline and enhance project management procedures inside the company, boosting efficiency and effectiveness in project execution. The PMO Project was a critical initiative that involved creating standardized project management methods, tools, and frameworks tailored to the organization's specific needs.

Arrow Digital Transformation website

Arrow Digital Transformation provides innovative business and technology consulting services, enabling clients to achieve their business objectives through a comprehensive framework consisting of Automation, Training and Change Management, and Feasibility and Knowledge Management.

Milestone Portal

The PMS facilitated efficient resource allocation, task assignment, and progress monitoring, improving project visibility and communication among team members and stakeholders.
